

New Doctor, Same Great Service!

Dear Patients & Friends,

After nearly 40 years of practice, I am retiring from dentistry at the end of July this year. I want to thank you for allowing me to be your dentist. It has been a pleasure getting to know you and your families. After a careful search, I am pleased to have found an amazing and passionate doctor who shares my dental philosophy to continue providing your dental care, Dr. Maria Serrano. Because I am retiring, Dr. Serrano will also be rebranding and changing the name of the practice from Rick Lane, DDS, to Alma Dental Care. Dr. Serrano and the rest of the team are excited to continue providing the same level of high-quality dental care under the new name, and I know you will be in good hands with them.

Dear Patients,

My name is Dr. Maria Serrano, and I am so excited to be taking over Dr. Lane's practice. I have over twelve years of experience providing high-quality dental care to patients of all different ages and backgrounds. I am originally from Spain and moved to California to attend the prestigious UCSF School of Dentistry, the same alma mater as Dr. Lane. In addition to attending the same dental school, Dr. Lane and I also share the same dental philosophy, as we are both very detail-oriented perfectionists. I am personally committed to offering you and your family an equivalent level of exceptional dental care that you have come to expect from this office, and I look forward to meeting you and working with your family for many years to come!

Although there will be a new face around the office, I am happy to report that all of our team will remain, including Dr. Lane's hygienist, Pearl. Our treatments will also be remaining the same, with the addition of some new dental technology, including iTero® digital scanners and same-day dental crowns, to make our treatment options more effective, comfortable, and efficient. Should you have any questions or concerns for our team during this transitional period, please don't hesitate to reach out to our friendly front office team, and we will be happy to assist you.
